A Cross as a table and as a light?

Yes, when seen in 3D and through the eyes of the designers of Base-20. The creative minds of Base-20 transformed this symbol into a design Cross-table and a Cross-Light.

It is the perfect coffee table in any (waiting)room and a perfect display for your magazines and papers. In a corner of the room or right in the middle? With a firm metal cross-foot and a clear and strong table top, which comes in 3 sizes, this table is an eye-catcher everywhere and is an asset to every room. Available in 6 colours and optional with a lamp inside to let it glow in the dark.

Solely the Cross is also available as a beautiful recognizable marker on your façade.

Base-20 is proud to introduce its first designs to you!

Our Cross is made of a high-quality polyethylene, which has many advantages:

- Unbreakable
- colourproof
- Fully recyclable
